

Dear New Southern Village Neighbor,

Welcome to Southern Village and the Southern Village Homeowners Association (SVHOA). The SVHOA is operating under the direction of a five- member volunteer Board of Directors. The Board has contracted the services of Berkeley Property Management, LLC, to manage the day-to-day business of SVHOA.

Please take some time to visit [www.southernvillage.org](http://www.southernvillage.org) for important information about Southern Village and to learn even more about your new community and how to stay involved and informed via e-mail alerts.

Southern Village is a planned community that has been designed to be walkable and pedestrian friendly. You will notice narrower streets and on street parking which slows traffic and makes our streets safer. Five community parks are located strategically within Southern Village with swings, playground equipment and walking paths as well as a playfield and basketball court. The Greenway trail bisects Southern Village and is a wonderful place to walk, jog and bike for exercise in a wooded environment. Market Square is our local business hub with shopping, dining, banking and other services just a few steps from your door. The Southern Village Club pool and tennis facilities next to the soccer field and basketball court are also available to you and your family should you choose to join.

We expect you will love living in Southern Village as we all do. Welcome to our community! Please do not hesitate to contact Berkeley Property Management or any of the Board of Directors if you have questions.

Most Sincerely,

The Board of the Southern Village Homeowners Association ([BOD@SouthernVillage.org](mailto:BOD@SouthernVillage.org))

Arun Kilara, President

Susana Dancy, Vice President and Communications Committee

Jerry VanSant, Treasurer

Steve White, Secretary and Liaison with the Architectural Review Board (ARB)

John Christian, Communications Committee; Liaison for Landscape, Trees & Ponds

## **What does Berkeley manage (or what are they responsible for)?**

Berkeley, under direction of the SVHOA Board of Directors, manages all common and park areas in Southern Village through a team of contractors for landscape, trees and ponds. They also arrange contractors for HOA related repairs and maintenance for properties under HOA jurisdiction. They are not responsible for landscape or exterior maintenance of detached (single family) homes although such homes are covered by Architectural Review Guidelines and the "good neighbor" policy.

## **WHAT YOU SHOULD KNOW ABOUT MODIFICATIONS TO YOUR PROPERTY**

At the time of purchase, each homeowner should have been given a copy of the Southern Village ARB Guidelines; additionally, documents may be downloaded from the ARB section of the [www.SouthernVillage.org](http://www.SouthernVillage.org) website. Since homeowners might want to make some changes to the exterior of their properties, Sections 4 and 5 of the guidelines include procedures concerning such changes. In accordance with the Guidelines, homeowners agree to submit an Architectural Request form to obtain approval by the Architectural Review Board for any plans that would significantly change the outward appearance of their homes. The Architectural Review Board works with the Board of Directors to assure that no changes will detract from the general appearance of Southern Village.

### **Changes that may require ARB approval:**

- Exterior house painting
- Installation of fences and/or gates
- Additions to the house exterior
- Additional structures (ex: play structures, garden sheds, gazebos, etc.)
- Retaining walls visible from the street and/or alleyways
- Temporary Signage (note, no permanent signage is allowed)
- Major landscape projects

***Note: Please review the Architectural Guidelines for more information***
