

Open your Heart, Open your Home to an Exchange Student!

This is great way for you and your family to learn about another culture! The non-profit agency International Student Exchange (<http://www.iseusa.com>) is looking for host families in the Chapel Hill/Carrboro school district. ISE carefully screens and places H.S. students with host families in the U.S. The students come with their own spending money and health insurance. Host families simply provide room, board and a loving home. They have students from around the world including China, Vietnam, Thailand, Venezuela, Spain, Germany, parts of Scandinavia, Lebanon and Mexico. All types of families are welcome to host students including singles and couples with out children.

If you are interested in hosting a student please contact:

Jennifer Leonard, Area Representative-ISE at 919-357-9190 or mahood7@nc.rr.com
